

Gala Manufacturing Showroom & Model Home Floor Program

Whether it is Bamboo, Cork, Laminate, or Hardwood or even all four, At Gala Manufacturing we want your customers to display our floor.

For a Showroom/ Display floor the maximum for order is 200sf, you'll get 50% off of your most recent Distributor price list, and this will be CARTON price. A before and after picture would be nice but is not required.

For a Model Home floor the maximum for order is 400sf, you'll get 40% off of your most recent Distributor price list, again this is going to be CARTON price. A before and after picture will be required for a Model Home floor.
